Term 4
Week 4
7 November 2018

Nambucca Heads Public School is an outstanding school, our team is proud of our strong culture, high expectations and successful learners. We cater for the whole child and every single person in our learning community is welcomed, valued and included. Our future focused learning design enables students to be resilient, persistent and confident learners.

External Validation – School Excellence Framework

Today we have completed our external validation process. This process happens as part of the implementation of the Department of Education School Excellence Policy. The validation occurs once every five years. Within this process we have our self-assessments validated using the School Excellence Framework by an external panel.

We prepared our submission over the past two terms and provided evidence to support our self-assessment. The external panel evaluates this submission and provides feedback to us on the accuracy of our self-assessment.

I am very pleased to report we have been validated as excelling in six of the 14 domains in the School Excellence Framework and Sustaining and Growing in the other eight.

You can see from the visual right

Principal's report cont....

that this is an outstanding result and our whole school community should be congratulated on this achievement. This level of school performance can only be achieved with great staff, great parents and fantastic students.

“Well done NHPS Community!”

ACE World Teachers Day Awards

I would like to congratulate 2 of our teachers who will receive awards at the ACE World Teachers Day Awards at the Southern Cross University this Friday. Leah Miller and Simone Playle have been recognised for ongoing outstanding contributions to education at Nambucca Heads Public School. Well done Simone and Leah !!

Regards
Phil Maunder

Got it

Got It! Tip of the Week

Emotional moments can be an opportunity to teach your child and build your relationship with him. One way to do this is spending a few minutes each day talking with your child about emotional events happening in his life. This quality time might happen after school, after dinner, or at bedtime. Not all children will want to talk openly about feelings. Be patient and try talking when you are doing something together, like driving or doing household tasks. But if she doesn't want to talk, it is important not to pressure her. This is not the time to discipline; it is just a time for listening and reflecting your child's emotions. Over time, this will build your child's trust in you and help her to feel more comfortable with sharing her feelings.

State Athletics

Last week five talented athletes travelled to Homebush in Sydney to compete in the 2018 State Athletics Championships as part of the North Coast Team.

- Grace Noonan excelled in the Junior High Jump coming 7th in the State.
- Teal Haigh ran a massive race in the 800m event against some stiff competition. Her outstanding effort and commitment to training paid off with her reaching 24th place.
- Daniel Williams ran an amazing race in the 800m heat on the Wednesday coming 1st in his heat and improving on his PB. He then had to back up the following day in an extremely tough challenge and held his time to run 7th. The first two boys beat the long standing 25year record to beat him.
- Pablo Garfield, our Year 2 champion who has practised on the bottom oval everyday since the MNC carnival, ran an amazing race in the 8 Year 200m and had a terrific experience narrowly missing a place in the semis. He has already started training for next year.
- Dylan Birks again this year showed he is a talented athlete reaching the 11 Year High Jump. He worked hard to clear the 150 bar mark only to narrowly clip the bar with his foot on his final jump.

We are very proud of our five young stars. An amazing achievement to perform at their best and represent at the NSW PSSA State Carnival.
