Nambucca Heads Public School is an outstanding school, our team is proud of our strong culture, high expectations and successful learners. We cater for the whole child and every single person in our learning community is welcomed, valued and included. Our future focused learning design enables students to be resilient, persistent and confident learners.

**Fencing**

You will have noticed lots of fencing going up around our school, this is being installed as a safety mechanism for our special needs students and is unavoidable.

I apologise for any inconvenience and can assure you that I will be working on keeping the school as open as possible, whilst making sure all of our children are safe.

As always, during this construction time please let me know if you have any safety concerns.

**Camp**

Stage 3 Camp is on right now and our students are having a ball! Thank you to the Stage 3 teachers who do so much work to make this happen. Check out the pics below..

**Woolworths Support**

Woolworths have been doing a great job of supporting our school with our breakfast program and this week they also dropped off a full set of their new Discovery Garden kits. One of our lucky classes will get to grow the whole set of seedlings in their class. Thanks for your support Woolies.

Reading Program
Wow – we have very quickly reached a point where any student who has read at home every week of the year (including holidays) will be receiving their second voucher next week. This program has been an outstanding success and I am so pleased to hear from all the families who are doing more home reading as a result, it does make a huge difference to your children’s education so keep it up NHPS community!

Phil Maundar
Principal

Book Club
All book club orders are due back by Friday 6 September No Late Orders will be taken after this date.

Bus Travel
If your child is going home with another student please send a note to your child’s teacher and Bus Driver. If they do not have a note telling the bus driver they are going home with another student or getting off at a different stop, they will not be allowed to and will need to go home as usual.

**Help Needed**
The canteen is currently needing volunteers to help in the canteen. If you are able to give up some of your time Jodie would love to have you. Even if you can only give 2 hours (9.30am to 11.30am or 11.30am to 1.30pm) on any of the days it would be greatly appreciated.

Please contact the office on 6568 6411.

**The Surfing Scientist**

On Monday, Students in Early Stage 1, Stage 1 and Stage 2 were mesmerised by the Surfing Scientist Ruben Meerman. There were experiments, science safety talks and messages about the scientific process. Our students were particularly impressed with the laser beams, chemical reactions and the amazing effects of liquid nitrogen. We had LOTS of fun!

**Premiers Reading Challenge**

The Premiers Reading Challenge is about to finish after a terrific year of reading so far at NHPS. Kinder, Year 1 and Year 2 have been reading books in class and have arranged for books read to go on each students reading record for the Premiers Reading Challenge. All other students are doing their own with their teachers help.

Student Reading Records need to be completed by AUGUST 30! Please record all books online before this date, and try not to leave it to the last minute to avoid delays due to heavy website traffic.

Students can log in to the PRC website to add books they have read to their Student Reading Record using your PRC account.

On the PRC website homepage, click on the NEW STUDENT SITE image. It will take you to the PRC student site. Then click on LOGIN in the top right hand corner. This will take you to the NSW Department of Education portal login page, students need to enter their username and password here.

**Mid North Coast Athletics**

Last Friday we had 23 talented athletes travel north to compete in the Mid North Coast Athletics Carnival held at the Cex International Stadium. With ominous skies above and the possibility of cold, windy conditions they set off. The clouds parted and the sun came out and conditions became ideal for competition.

Congratulations to all our athletes on their outstanding effort and performance on the day.

Amazing Success at National Championship Cross Country

Daniel Williams has once again amazed everyone with his determination and resilience to come 8th at the National Cross Country Championship. They were held at the home ground of Kembla Joggers in Kembla Grange near Wollongong. Runners from 10-19 years of age from ACT, NSW, NT, QLD, SA, TAS, VIC, WA, NZ competed at the event run over 4 days.

Daniel arrived back to school proudly carrying 2 gold medals he won as part of the teams event and the Cross Country relay event. Whilst at the sporting exchange he got the opportunity to meet new friends from across the state and renew old ones that he met when he attended as a 10 year old two years ago. It wasn’t all running as he visited the Science Space Innovation Campus as part of the educational excursion.

Congratulations Daniel on an amazing achievement.

Student Officials Shine at the Mid North Coast Athletics

Red, White and Black uniforms and black hats with NHPS printed on them darted back and forth across the green stadium surface, up and down the grandstand steps and to and from the field events as our student officials wowed the crowd and adult officials with their enthusiasm and commitment to make the carnival run smoothly. Armed with results and important messages they busied themselves throughout the day and worked hard to get their jobs done.

A massive thank you to Evan, Tayja, Ava, Noelani, Layla, Keyna, Levi, Azzie, Drew, Nate, Nickel, Saffron, Annaliese, Denzell, Samara, Tarli, Asher, Isabella, Harrison, Jackson, Zouga, Charlotte, Alyssa, Blake and congratulations on an outstanding job!

Thank You Nambucca Heads Families

To all the parents, grandparents, family and friends who transported our student officials and athletes to the past 3 carnivals especially all the way to Coffs Harbour an enormous thank you!! Without your support we could not have gained the success we have.
The Coffs Harbour Regional Conservatorium of Music offers in-school programs for school students and NHPS is exploring how we can make this available to students in our school. These music lessons are held on school grounds, during school hours and taught by qualified music teachers who specialise in a number of instruments. The cost involved to parents varies depending on the instrument being studied. Instrument hire and maintenance fees would be approximately $15 per term. Creative Kids vouchers can be used to claim $100 worth of student lessons.

If your child would be interested in participating in this kind of program can you please complete the details below and return to school.

------------------------------------------------------------------------------------------------------------------------

My child would be interested in learning

○ Clarinet
○ Flute
○ Saxophone
○ Piano / keyboard
○ Guitar
○ Singing lessons

My preference would be

○ Individual lessons ($35 per lesson)
○ Shared lessons ($17.50 per lesson)
○ Group lessons ($15 per lesson)
